Deadline for Filing FY 2004 Regulatory Fees

This is a reminder that the deadline for filing FY 2004 regulatory fees is **11:59 pm on August 19, 2004**. Applications received after this time and date will be considered late filed and will be subject to a 25% penalty. The Commission's File Filer system is available to assist you with any last minute filings. You can file and pay on line **with a credit card**, and avoid having to courier your payment to the Mellon Bank in Pittsburg, PA. This payment method is available up to 11:59 pm on the last day of the window.

Entities and individuals located in the areas impacted by the effects of Hurricane Charley are reminded that they may file requests for waivers of any late penalty due to the effects of the hurricane on power outages, closed businesses and the mail system. Supporting documentation must accompany your waiver request. Normally these requests must be filed by the deadline date – August 19, 2004, however, additional consideration will be given due to extenuating circumstances.
